## RoHS and REACH Certificate of Compliance

**2011/65/EU (RoHS II)**  
**(EC) NO 1907/2006 (REACH)**

G.T. Microwave, Inc. is committed to managing the use of chemical substances in accordance with governmental regulations, industry standards, and customer-specific requirements in order to protect the environment.

We hereby certify that all of our products fully comply with The European RoHS Directive 2011/65/EU and its subsequent amendments. Homogenous materials of parts that are compliant to this legislation have less than 0.1% by weight each of lead, mercury, hexavalent chromium, PBB and PBDE, and 0.01% by weight of cadmium.

We hereby also certify that no G.T. Microwave, Inc. products contain Substances of Very High Concern (SVHC) as listed by the European Chemicals Agency (ECHA) under the provisions of Regulation (EU) No. 1907/2006 of the European Parliament and of the council concerning the Registration, Evaluation, Authorisation, and Restriction of Chemicals (REACH) per the ECHA/PR/19/01 and previous updates, which includes 197 substances.

The status of the candidate list (SVHC) will continue to be monitored, as established under Article 33 of REACH to inform product recipients and consumers if any substance or preparations of an article contains more than 0.1% by weight per article of any substance that is added to the SVHC candidate list in the future.
